

Happy Thanksgiving

'Tis the season to be thankful for and with all Kuehne employees. With that in mind, the HR Department, in cooperation with the operations groups at both facilities, catered a Thanksgiving luncheon on Wednesday, November 23rd. It was a great time for all employees on both day and night shifts that day to gather, break bread, enjoy some delicious cuisine and inter-departmental comradery, and to be thankful for a successful year. The food was delicious and the conversations lively. Thanks to all who took part in planning the luncheon and making the event possible.
