#MFGBRUNCH

Kuehne Chemical Company was a Silver Sponsor of the 2018 Delaware Manufacturing Extension Partnership's (DEMEP) Spring Legislative Brunch titled "The Future is Now: Reinventing Manufacturing in Delaware." Attending the conference for Kuehne were William Paulin – SVP/CFO, Alan Rogers – Delaware Plant Manager, and Zachary Kuehne – Delaware City Maintenance Planner/Scheduler. Over the last 5 years Kuehne has been a major supporter of workforce development by helping train high school students in industrial manufacturing. Presentations were made by US Congresswoman Lisa Blunt Rochester, State of Delaware Governor John Carney, and guest speaker Gary Convis from Bloom Energy. Over 250 attendees listened to guest speakers talk about lean manufacturing, workforce training, and bringing manufacturing excellence to Delaware.
