

2019 Bring your Kids to Work Day

On Thursday, April 25th, Kuehne Company NJ hosted approximately 16 children of employees at its Plant in Kearny NJ, as part of Take Our Daughters and Sons to Work Day. This event allows kids to not only job shadow their parents in the workplace, including office, laboratory and manufacturing settings, but also to participate in interactive Science, Admin, and Production activities.

"We hope that the kids will get a real-world understanding of the work that Kuehne Chemical does as a company and that it will fuel a passion for the manufacturing industry," said Viviana Mendez, Director Human Resources and organizer of the event.

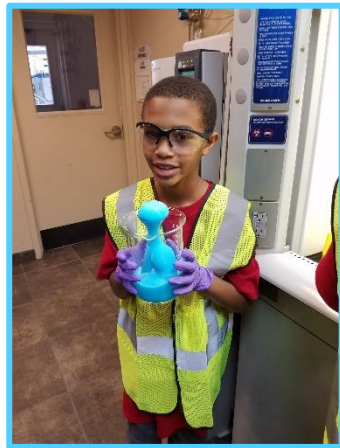

The day's agenda of interactive activities included:

Troubleshooting pipe leaks (**Thanks to Manny, Jessica, Ernie, Tony**)
Application and usage of pumps (**Thanks to Brian, John D, Rudi**)

Creation of a budget (Thanks to **D. Tahan, Marta representing the Finance Team**)

Electrolysis of water & Foam Fountain(Thanks to **Azade and D. Miyamoto**)

Breakfast and lunch was served, each child was provided with take home safety equipment, a personalized ID card, personalized certificate and a T-shirt (Thanks to **Brenda and Adrian**)

Thank you to all who participated!
