To Whom It May Concern:

Thank you very much for your very generous donation of \$1,000 to the East Haven Food Pantry.

I can assure you that the money will be put to good use providing meals for those in need in the Town of East Haven, especially during the Coronavirus pandemic.

On March 17, we implemented a drive through service, where our clients stay in their cars and we load the groceries directly into the trunk. We have been taking names and are finding that many new people have been coming. We are averaging over 60 families each day that we are open. Everyone who comes to the pantry gets pre-made bags of groceries, breads and dessert, and fresh produce.

Through the end of May, we had 598 registered families in town. For the same period last year, it was only 330 registered families. That is an increase of over 81% in the number of families who are in need of our help during these trying times. I'm sure it will be even higher when the June statistics are available.

None of this would be possible without the generous support of caring people like you.

Sincerely,
