Mr. Paulin and Mr. Wilkes,

On behalf of the Delaware City Food Closet I want to thank you for your second generous donation of \$1000.00 that was received on May 15, 2020.

As I wrote to you before, the needs have increased as older people in Delaware City, who are normally self-sufficient, have been reluctant to go to the grocery store. Your donation will help ensure the Food Closet will have funds during these unrepresented times.

Thank you.

Sincerely,

Dan Saunders
Treasurer
